Réception de fichier .mla :

 stage.local_20260115-103901.mla	15/01/2026 11:39	Fichier MLA	460 Ko
---	------------------	-------------	--------

attente d'une analyse de l'ANSI pour avoir un rapport en html qui pourra être analysé.

j'ai refait la même chose pour les autres AD.

J'ai reçu les rapports pour Oradad juste avant la fin du stage donc je n'ai pas pu les analyser
je vais donc juste les mettre en brut dans un dossier ZIP.
